Dmitriy Golub, Python Developer

KYIV, UKRAINE · dmitriy.golub@gmail.com

PROFILE

High efficient and self-motivated Full Stack Web Developer who enjoys finding elegant solutions to non-trivial problems. Focused on the goal and driven by visual sophistication and laser-sharp precision, I take pride in every finished project, and never stop learning along the way.

Specialties: Solving IT problems and getting things done, quickly and efficiently. I can view the larger picture, analyze the situation, and devise and implement a strategy to achieve the desired outcome.

I am proficient in Python, PHP, MySQL (optimization), Ubuntu, tuning Nginx.
